Spring Midgets: Terry Horgan has been asked to coach this team again this year, please contact him at 829-4292. The season usually start mid-april. Only current freshmen, sophomores, and juniors are allowed to play.

Spring Yard Sale: We need a volunteer from the girls program to organize this years sale. Please contact Bruce McKay or Kelly Irving if interested. (The people who have done this in the past will be moving on or will have seniors next season, it would be nice if freshmen/sophomore parent(s) could do this.

Nominating Committee: If you would like to be on this committee with Bruce McKay, please contact him as soon as possible. There is one open position as of now.

Money: We have done a wonderful job over the last couple of years with registration, fundraising, and the ad book. We have a nice surplus and will continue with our current fundraising to keep registration costs as is. Bruce McKay purposed a few options with our surplus: \$5,000 rainy day fund (we have a few outdoor fundraiser that may be subject to low responses if it rains), Scholarship for graduating hockey players, and Locker room improvements. Please contact Bruce if you would like to discuss any of these ideas or have some of your own.

Freeport Hockey: Ross Green expressed that this team is looking to combine with another school because of low numbers and asked what the group thought. If we did this, it would force us to be a class "A" school. The athletic director is not in favor of it. Coach Mothes doesn't think it is a good idea and a few other concerns expressed as well. The outcome was that they should find a team that are in the same situation to join.

Golf Tournament: We need to recruit a Chair for this ASAP, there are people that volunteered to help that have experience. The tournament will be June 23. Meetings should be arranged this month. We encourage families to find teams to play, 32 teams would be perfect.

Next meeting: Thursday, March 27 7:00pm @GHS
